Guest lecture

🎓 Guest Lecture: "IEEE Support in Career for its Student Members"

Speaker: Dr. Vinit Kotak (IEEE Senior Member)

Dr. Vinit Kotak will share insights on how IEEE helps students shape their careers through access to global resources, technical societies, conferences, and professional networks. He will highlight the role of IEEE in building leadership, research exposure, and industry connections, and how student members can leverage IEEE opportunities to excel in both academia and professional life.

Time - 10:00 am - 1:00 pm

Venue - Second Floor Lecture Hall

Date - 10/02/2026

Drone Building workshop

Drone Building Workshop

Learn the fundamentals of drone design and assembly through a hands-on session. Participants will explore key components, safety practices, and real-world applications while building and testing their own drone.

Key Takeaways:

- Basics of drone design and operation
- Insights into drone regulations and safety guidelines
- Exposure to real-world applications
- Practical flying demonstration with guided experience

Time - 3:00 pm - 5:00pm

Venue - Second Floor Lecture Hall

Date - 10/02/2026

Yoga Session

Yoga Session : "Yoga for Mental and Physical Well-Being"
Speaker : From Ambika Kutir

Time- 10:00am - 1:00 pm

Venue -Second Floor Lecture Hall

Date:- 11/02/2026

Paper Presentation

PAPER FORMAT :-

1. Paper Size-A4,70GSM, White
2. Font- Times New Roman
3. Title of Paper-14 Bold
4. Sub Title-12 Bold with Underline
5. Line Spacing-1.5
6. Page Numbering on Right Bottom of each page
7. Text: 12 Normal +12 pt
8. Margin: Top 0.75", Bottom 0.5", Left 1.25", Right 1.0"
Gutter 0", Gutter Position-Left.
9. Length of paper: 1800 to 2000 words (Approx 180 to 200 lines) (4-5 Pages)

Paper Presentation

INSTRUCTIONS :-

1. Each team must have 2 Participants for paper presentation.
2. Contents of paper should be title of paper, name of authors, name of institute, abstract, contents, conclusion, references.
3. Paper should be formatted as per IEEE format.
4. Submit your hard-copy of paper before presenting the paper.
5. Bring one hard copy of paper along with the Soft copy in Pendrive at the time of Presentation
6. Time duration will be 7 min for presentation
7. All the participants will get participation certificate.
8. Student should bring their college I-Card on the day of competition.
9. Decision of the organization, expert team and judges shall be final.

MGM'S COLLEGE OF ENGINEERING AND TECHNOLOGY KAMOTHE, NAVI MUMBAI

Poster Presentation

INSTRUCTIONS:

- Individual or maximum 2 members per team allowed
- Poster must be based on technical/engineering/innovation topics
- Poster size: A1 or A2 (portrait or landscape)
- Include: Title, objective, methodology, results, conclusion
- Posters must be original; plagiarism will lead to disqualification
- Report 30 minutes before the event for setup
- Each team will get 3–5 minutes for presentation
- Judging based on:
 - Innovation & creativity
 - Technical knowledge
 - Clarity of explanation
 - Poster design & visuals
 - No offensive or inappropriate content allowed

Venue - Second Floor Lecture Hall

Tech Quiz Competition

Registration

- All participants must register before the event.
- They must confirm their entry at the registration desk/online platform.

Participation

- Participants must be present at the venue/on platform on time.
- Late entries will not be allowed once the round starts.
- They must participate under their registered name.

Conduct

- Any form of cheating, unfair means, or disruptive behavior will lead to disqualification.

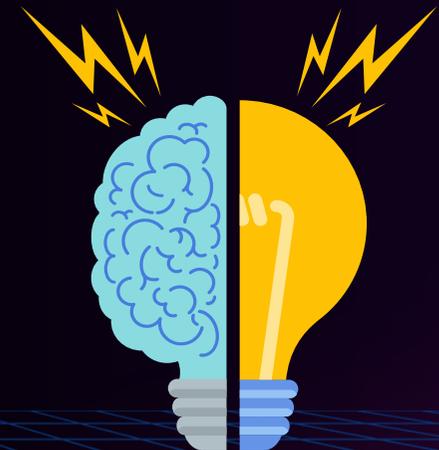

MGM'S COLLEGE OF ENGINEERING AND TECHNOLOGY KAMOTHE, NAVI MUMBAI

Tech Quiz Competition

- Mobile phones and electronic devices are only allowed if permitted for the quiz platform.
- Respect fellow participants, audience, and organizers.
- Quiz Format
- The quiz will consist of multiple rounds (Duo/individual/rapid-fire/visuals, etc.).
- Specific rules for each round will be explained before it begins.
- Questions once asked cannot be repeated.
- Scoring
- Points will be awarded for correct answers and may be deducted for wrong ones (as per round rules).
- Tie-breakers, if required, will be decided by the quizmaster.
- Authority
- The decision of the quizmaster/judges is final and binding.
- Organizers reserve the right to modify rules if necessary.

Drone Implementation

Drone Assembly & Implementation Competition Rules

1. Team Formation

- Each team must have 6-8 members.
- Teams must register in advance with a team name.
- One member will act as the pilot/operator, others as support crew.

2. Implementation Stage

- After assembly, each team must demonstrate their drone's flight.
- Tasks may include:
 - Take-off & Hover Test (stability check).
 - Navigation Test (flying through a marked path).
 - Payload Test (if applicable, carrying a small object).
- Teams must complete the task within the given time.
- Any crash/damage due to negligence = disqualification.

Drone Implementation

3. Judging Criteria

- Build Quality & Wiring Neatness (20 points)
- Flight Stability & Control (30 points)
- Task Completion (Implementation) (30 points)
- Innovation/Design Creativity (10 points)
- Time Management (10 points)

Total = 100 points

MGM'S COLLEGE OF ENGINEERING AND TECHNOLOGY KAMOTHE, NAVI MUMBAI

Drone Implementation

4. Winner & Prize

- The team with the highest score will be declared the winner.
- In case of a tie → extra challenge or tie-breaker round.

The Winner Team will receive a 5000 Rs Cash Prize (Trophy, certificates, or gadgets as per organizers).

5. General Rules

- Safety first: Follow all drone handling and flight safety instructions.
- No external kits/components allowed unless approved by organizers.
 - Judges decision will be final and binding.
